LOOMHAUS

Introduction

We are one of the oldest rug makers in the Bhadohi-Mirzapur belt. Guided by a passion for design and thanks to a long history in private and public projects, has become an international reference in traditional and modern rugs.

Our aim as the fifth generation carrying this business is to provide textures, colors, and shapes to rugs as to seek to improve people's well-being.

LOOMHAUS

Our Vision

The largest carpet frames where we developed so many different quality samples and designed various unique patterns in rugs, which are very helpful for buyers to choose from our wider range of collection.

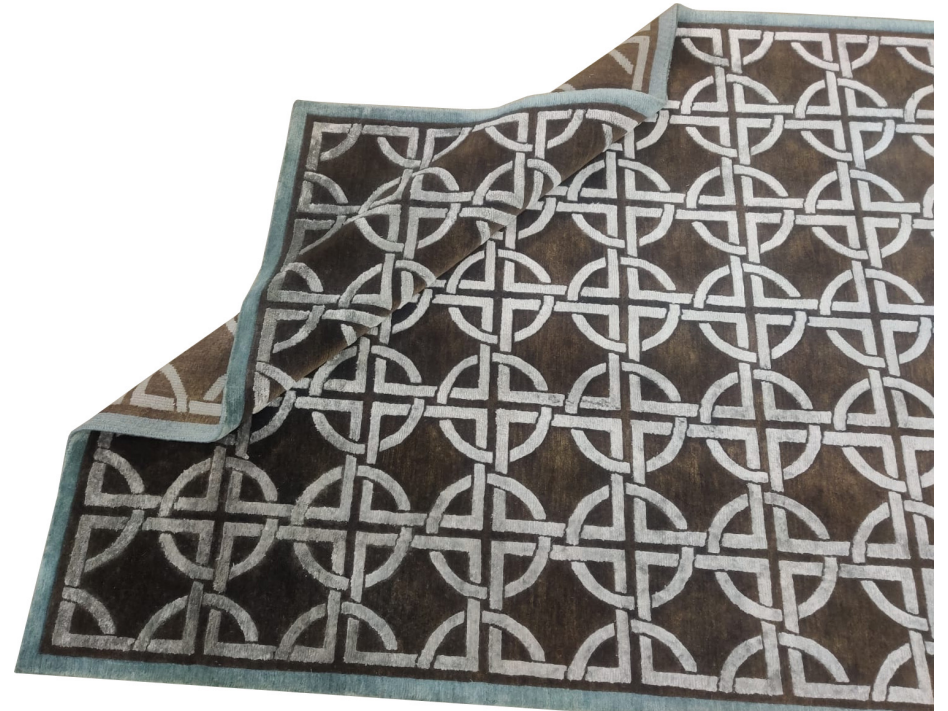

LOOMHAUS

Why buyers choose us ?

- **Custom Solutions** – Tailored designs and specifications to suit your needs.
- **Trusted Expertise** – Proven track record in the industry.
- All yarns are **OEKO-TEX** certified.

LOOMHAUS

02 Overview of our products

LOOMHAUS

The yarns for our rugs are produced in house, giving us the flexibility and edge over our competitors.

We understand the rug as the soul of a space.

1. SORTING

2. CARDING

3. SPOOLING

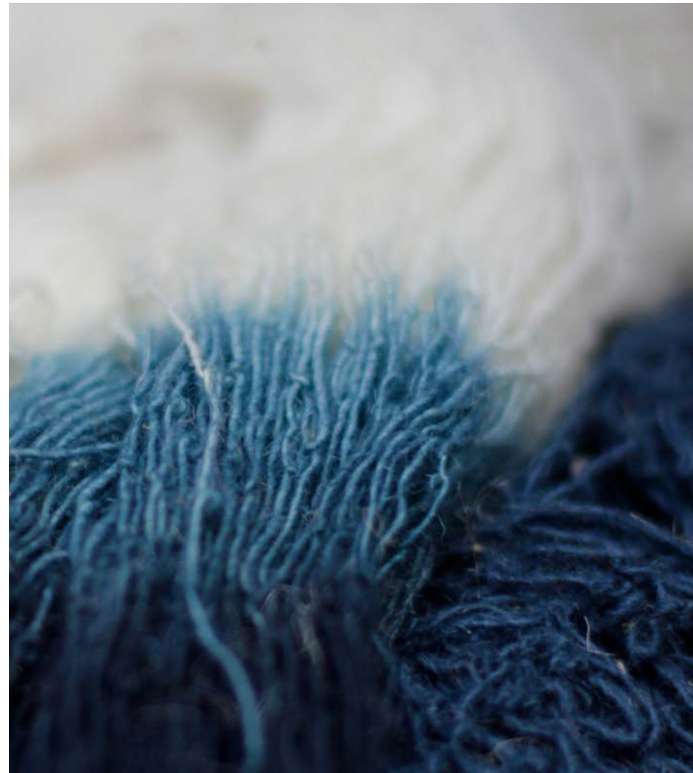

4. SPINNING

5. DYING

DYEING

Natural materials absorb color uniquely creating soft tonal differences. Each material is dyed specifically for the production of each rug, by our master of color

WEAVING

Hand-Knotting is an extremely complex and ancient production technique. A cultural skill utilized in rug-making countries like the middle-east, India and China.

LOOMHAUS

LOOMHAUS
