LOOMHAUS

Hand-Knotted Wall Art - One of a Kind

These exquisite pieces not only bring warmth and texture to a room but also tell a story through their intricate designs. Inspired by the beauty of landscapes captured through photography, these hand-knotted carpets are transforming the way we appreciate and incorporate nature into our living spaces. We made in fine hand-carded wool. Thanks to our design team and artisans for giving the finest quality and details into our one of a kinds collection.

Delivery Time (Quality 13x13)
